

Hero Specification

MODEL	SIZE (H x L x W)	RISE GUIDELINES	WEIGHT	WEIGHT CAPACITY
HERO1	1" x 8.5" x 34"	1" - 1.5"	4 lbs.	800lbs
HERO2	2" x 14.5" x 34"	2" - 2.5"	8 lbs.	800lbs
HERO3	3" x 20.5" x 34"	3" - 3.5"	12 lbs.	800lbs
HERO4	4" x 26.5" x 34"	4" - 4.5"	17 lbs.	800lbs
HERO5	5" x 32.5" x 34"	5" - 5.5"	27 lbs.	800lbs
HERO6	6" x 38.5" x 34"	6" - 6.5"	19 lbs.	800lbs

This ramp offers you a threshold ramp with the MOST usable surface space and a safer incline than any ramp in a comparable design. The Hero's ramp surface on a 6" rise provides over 25% more under your chair. With the combination of an anodized surface and special non-skid technology, the Hero exceeds the NFSl requirement for wet Static Coefficient of Friction on a hard flooring surface.

What does this mean? For the end user in the chair, a safer feeling going up and down the ramp. For the person assisting the chair user, less strength is required to push the occupied chair up and down the ramp. For the Dealer, peace of mind knowing that you are providing the safest "threshold" ramp offered with the most aggressive non skid surface passing the peace of mind on to your customer.

- Accommodates a 1.5" to a 6.5" Rise
- Durable Aluminum Construction
- Anodized Non-skid Surface
- 800 lb Weight Capacity
- 3 Year Warranty
